Caring Professionals Using Their Expertise to Give You the Best Treatment

Introducing Ock Street Clinic

At Ock Street Clinic our focus is on patient care. We have assembled a team of dedicated and highly qualified professionals who have been hand picked both for their clinical expertise and their ability to provide superb customer service.

We go to great lengths to ensure you receive excellence in treatment and service. Our achievement of the BDA Good Practice Award demonstrates our commitment to providing care to nationally recognised standards of best practice. Every member of our team benefits from ongoing training and development and we are regulated by the Care Quality Commission for our dental and medical services, so you can be sure that regardless of which of our comprehensive range of services you need, you will be in safe hands.

Ock Street Referral Centre

We accept referrals to our advanced dentistry and specialist dental and medical services from dentists and GPs from a wide area. We can work with them on specific projects to ensure you receive the very best care.
